

CAROLINA MOTOR CLUB

"THE CAR OWNER'S MOST USEFUL NECESSITY"

COLEMAN W. ROBERTS
PRESIDENT

Charlotte, N.C.
January 15, 1940

Attached is a folder published by the National Surety Corporation, New York, N.Y., describing the Bail Bond service they render members of the American Automobile Association through affiliated clubs.

Members of the Carolina Motor Club have been provided with this bond protection for many years but we do not believe the service is fully understood by arresting officers, police officials, magistrates or judges and it is our hope that this folder, which is addressed to these parties, will clarify the matter.

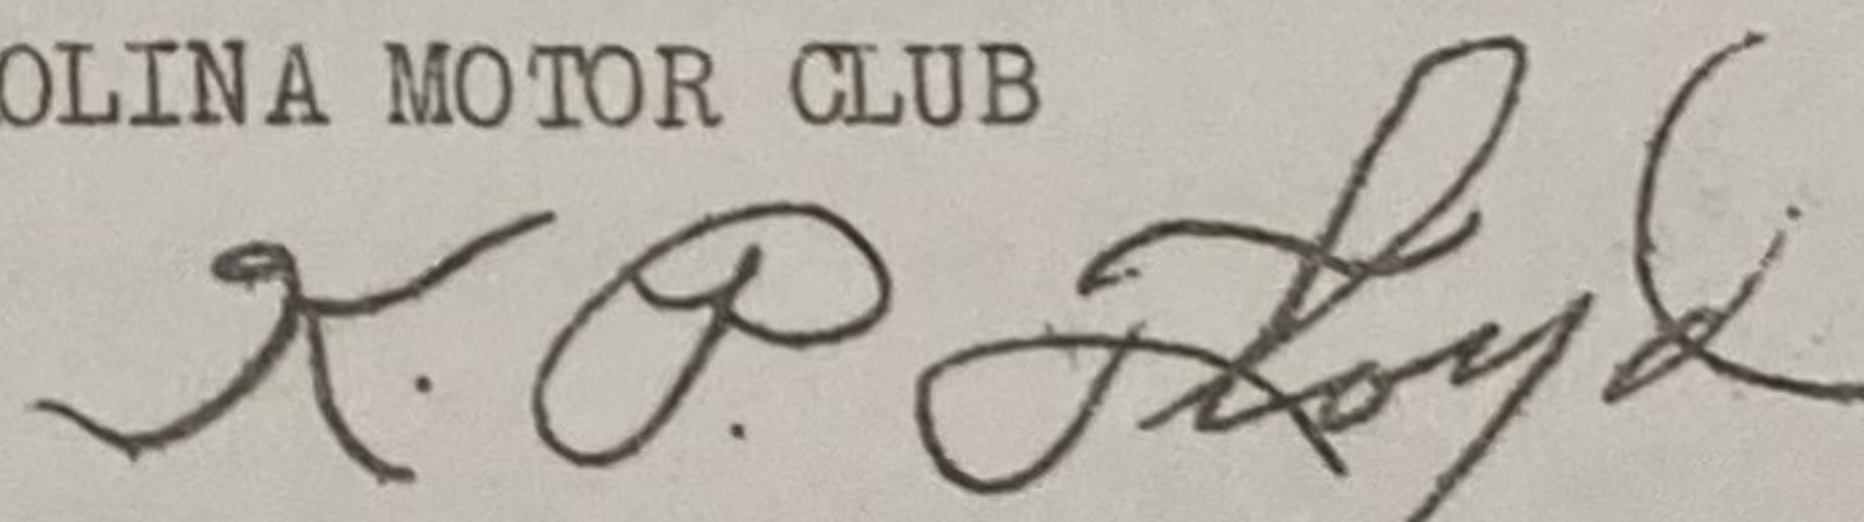

If, after reading this folder, there is anything concerning this service that is not perfectly clear to you, please let us know immediately. It is only by complete cooperation and thorough knowledge on the part of all concerned, that the service can be rendered in the quick, efficient manner desired.

Will you not kindly send us the names of police officials, magistrates and trial court judges in your city so that we may send them a folder? Business reply envelope is attached for your convenience and your early reply will be greatly appreciated.

With best wishes.

Sincerely yours,

CAROLINA MOTOR CLUB
