[Announcer]: America's richest trial lawyers are circling.

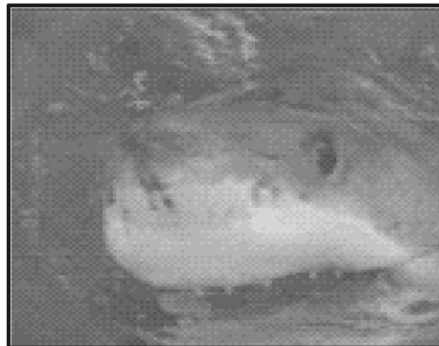

And your health plan is the bait. Trial lawyers are pressuring Congress

for new ways to sue your health plan. Think that won't hurt you? Better think again.

If trial lawyers get their way, healthcare for millions of Americans

could simply disappear. Call Congress today tell them to protect

your family's healthcare from the trial lawyer feeding frenzy. Because

if the trail lawyers win, working families lose.
