[Woman] "I can't believe this. You pay all that money for health coverage and they say no, and that's that."

[Man] "Look, I'm having a hard time with it too." [Woman] "What about an appeal or something."

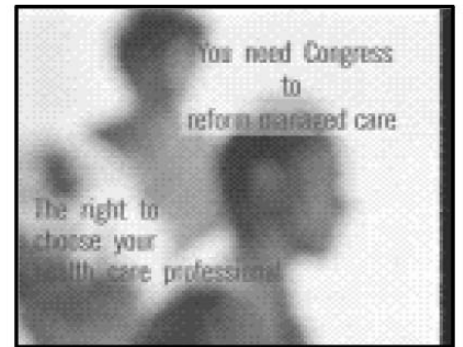

[Man] "It's just too much to fight these people and they only seem to answer to the bottom line."

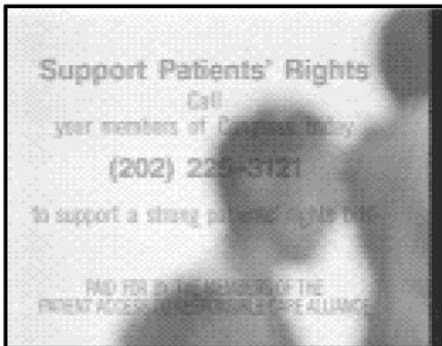

We'll go somewhere else." [Woman] "With what? We can't afford that. I can't

believe we are so powerless. There should be a law that protects us.

There just has to be."

[Baby crying]
