[Man1]: " I chose a Medicare HMO because it cost less, gave me greater coverage and I got lmy prescriptions paid for. But then politicians

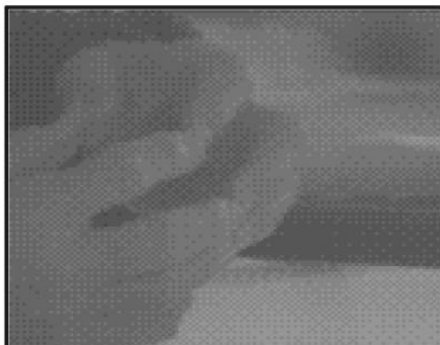

down in Washington decided to cut too much money from the Medicare HMO's

and seniors like me end up paying more and getting less, even

losing our drug coverage, and that's not right. Those same politicians

will be asking for my vote, but unless they do something more to save Medicare

HMO's like mine, you can bet I'll have an answer for them.

Forget it."
