## We Support those who Support us: Thanks from UNITE!

Dear Representative\_\_\_\_:

On behalf of 250,000 UNITE members across the country, and in particular your constituents, we would like to thank you for standing with us in the battle against granting Permanent Normal Trade Relations to China. We acknowledge and recognize your conviction to stand firm for FAIR TRADE in light of the immense pressure around this vote.

We believe that our collective efforts were crucial in bringing to the forefront the issue of FAIRNESS and RESPECT for workers, for consumers, and for the environment in this surging global economy.

We are very proud to have led this fight with you on our side, and we will continue to work with you and support you in the future.
