(b) A POTW that is a member of the National Environmental Performance Track Program may take an alternative approach to the requirements of §§ 403.11 and 403.18 for public notification of modifications to approved pretreatment programs. Under this alternative approach, the following is required:

(1) The POTW must adequately notify the public of the change in public notice procedures;

(3) The POTW must provide a hard copy of the public notice to the EPA, State, or public upon request.

(c) A POTW that is a member of the National Environmental Performance Track Program may take an alternative approach to submitting its annual report under § 403.12 (i). Under this alternative approach, the following is required:

(1) The POTW must annually post their annual report (§ 403.12(i)) on a website maintained and managed by the Control Authority;

(2) The information must remain accessible as part of the website for at least three years;

(3) The POTW must provide written notice to the Approval Authority within five days of posting the annual report on the website. This notice must include a certification consistent with the certification language provided in 40 CFR 122.22(d) by an official attesting to the accuracy of the submitted information;

(4) Every other year, the POTW must submit a written report to the Approval Authority. The report must include specific information for only those SIUs found to be in significant noncompliance (SNC) during the reporting period instead of a summary of the status of all IU compliance over the reporting period; and

(5) The POTW must provide a written copy of the annual report containing all information currently required under § 403.12(i) to the EPA, State, or public upon request.

(d) A POTW that is a member of the National Environmental Performance Track Program shall prepare and maintain a list of its industrial users meeting the criteria in paragraph (a) of this section. The list shall identify the criteria in paragraph (a) of this section applicable to each industrial user and, where applicable, shall also indicate whether the POTW has made a

determination pursuant to § 403.3 (t)(2) that such industrial user should not be considered a significant industrial user. The initial list shall be submitted to the Approval Authority pursuant to § 403.9 or as a non-substantial modification pursuant to § 403.18(b)(2). Modifications to the list shall be submitted to the Approval Authority pursuant to § 403.12(i)(1).
